## CHAIRMAN'S MESSAGE

On behalf of every member associated I welcome you to Shanti Niketan Group of Institutions. On this opportunity, I would like to share some of my personal beliefs. While growing up like you, I would constantly dream of college education. In that era, the education structure offered to students by society was not in reach of many capable students due to many reasons like money, distance, responsibilities etc. So, I would constantly dream of doing the impossible in those times to make education reach every doorstep and made available to students in present time what we were not able to afford in my time.

From the desk of  
CHAIRMAN

Welcome to New beginning!
