SHANTI NIKETAN GROUP OF INSTITUTIONS

www.sngimeerut.com

About the **INSTITUTE**

Shanti Niketan Group of Institutions was established in the year 2009 under the aegis of Shanti Niketan Trust comprising of renowned academicians, business professionals and social activists. The institute is located at Goon Gejha Road, Ikla, Mohiuddinpur, just 1km. away from NH-58, (just after Modinagar, Ghaziabad) and 45 minutes, drive from Delhi.

The main attraction of SNGI is its huge workshop and labs with all the modern equipments. The institute boosts its strength by practical delivery of the subjects for better learning and understanding of concepts.

SNGI is setup in the beautiful location of lush green fields away from the urban noise and pollution and provides a vibrant & creative environment for conducive studying.

The Vision

To create, inculcate, imbibe, translate and apply knowledge, to address the needs of individuals, industry and above all the trust of the society. This is visualized and accomplished through quality education, which communicates the knowledge and values and imparts the skills necessary for individuals to lead responsible, productive, and personally satisfying lives.

The Mission

Our Mission is to impart vibrant, comprehensive and innovative learning to our students enabling them to be managers, entrepreneurs, and leaders with strong cultural values and to provide an ideal teaching environment and ambiance to develop their skills to meet the challenges of the global business environment.

From the desk of **CHAIRMAN**

Welcome to New beginning!

On behalf of every member associated I welcome you to **Shanti Niketan Group of Institutions**. On this opportunity, I would like to share some of my personal beliefs. While growing up like you, I would constantly dream of college education.

In that era, the education structure offered to students by society was not in reach of many capable students due to many reasons like money, distance, responsibilities etc. So, I would constantly dream of doing the impossible in those times to make education reach every doorstep and made available to students in present time what we were not able to afford in my time. From that time, I have maintained in my mind a single goal of giving students, especially those who have a rural background, tools with which they can have an equal chance like many others to reach their dreams and destiny. For this purpose I laboured through difficult time; giving my everything to give you what I am offering to you now as I have achieved that goal by building these educational structures which are at par with industry standards, so that our students who by reason of money and distance find themselves unable to realize their dreams, can achieve what they want through our less expensive and highly standardized teaching facilities. Here we teach, train and prepare the students to a level where they can handle any situation independently to achieve higher degree of excellence in professionalism.

We are hopeful that every student will be successful, but remember NO Gain without pain!

Dr. Somendra Tomar

From the desk of **PRINCIPAL**

I feel fortunate to be Principal of Shanti Niketan Group of Institutions which constitutes the important hub of the great wheel of quality education in Meerut. To me, an educational institute is not just about walls made of bricks, mortar and concrete, but about building character, enriching experiences that lasts a lifetime.

Life is not a set of instructions but is a series of experiences and learning processes that leads to all-around i.e., cognitive, affective and psychometric development of personality. This is where SNGI steps into make a difference. We train our students to think logically, systemically and analytically, that make them capable to face the emerging economic, social, political and cultural scenario arising from globalization. Today SNGI is not just a college but is a family in which educational community, the Management, Staff, Students and Parents work united to foster this family spirit: may we LEARN from the past, LIVE FULLY in the present and LOOK FORWARD with hope to a bright future.

Dr. Urmila Moral

Director's Message

We at Shanti Niketan truly believe that each student entrusted to us will receive education in finest form. We provide abundant opportunities and guidance to our students to transform their personalities and become successful professionals. Our motto at Shanti Niketan is to provide affordable and meaningful growth options for our students. We have a unique mentorship program where each individual student is given specific attention through personalized mentoring. We help our students in developing their skills where we not just focus on the technical aspects but we also provide equal attention to the skills development.

I look forward to welcome you to Shanti Niketan and assured you that your ward is in a safe 100% ragging free and homely environment and has started his journey of successful engineer with exciting educational experience.

'Excellence through continuous improvement'

Dr. Manoj Kumar
Director

Why SNGI ??

Experienced Faculties

The institute has a proud community of qualified and knowledgeable faculty, having rich experience of teaching as well as research. Faculties also provide extra classes and assistance to the students. The gamut of teaching fraternity recruited by the institute is conceptually strong having sound knowledge of their individual subject. The institution has a students to faculty ratio of 15:01.

Infrastructure

SNGI is spread in approx..20 acres of land having 5 teaching building with build-up area approx. 200000sq ft. The institute possesses large & airy classrooms, Large Auditorium, Conference hall & Library. Apart from it, Institute maintain lush green garden for relaxation & enjoyment of students.

Result

Best in Meerut amongst college established in 2009. We provide the award for our top 3 topper students in branch wise.

Scholarship

PLACEMENT CELL

At SNGI we have a well established system of ensuring a smooth transition from the class room to the work place. To enable the students to make the best of the opportunities we provide, students are put through rigorous corporate readiness programmes such as Industry visits, mentorship activity, field research work, corporate interface and faculty monitored corporate internship programs. The cell has been instrumental in organizing campus/off- campus interviews for third and final year students in various esteemed organizations. Placement process aims to match the requirement of the recruiter and the budding aspirations of the students by under mentioned tasks/events:

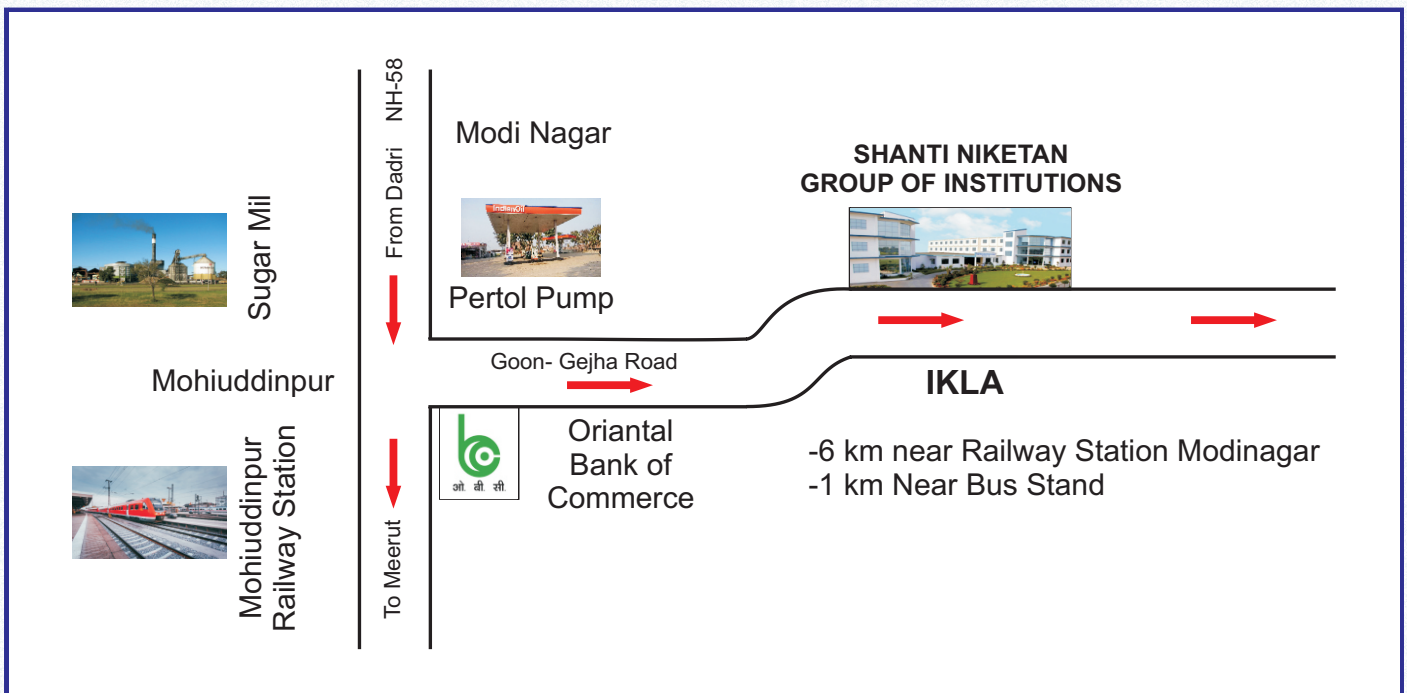

- Personality analysis through personality development programmes
- Gap Identifications
- Personality grooming & skill enhancement
- Role plays/practice session
- Mock Interviews
- Pre-placement talk and career counselling
- CV Formation
- Live Programs(Summer training and Internship)

Antiragging

Ragging is a cognizable offence as per the ruling of the Hon'ble Supreme Court. Any disorderly conduct whether by word or act with an intent of teasing, constitutes ragging. Students are advised not to indulge in any such activities. A formal FIR can be lodged against the students if found indulging in ragging. The college Disciplinary Committee enforces every strict vigil to prevent any instance of ragging.
